The guardian should:

- be at least 25 years old. This applies also when family member acts as a guardian
- be at the terminal at least 1,5 hours before the departure
- take care of the group during the entire voyage
- ensure there is no alcohol taken on board
- make sure the group members board the ship together with the guardian and stay in the same cabin than his/hers group
- inform the group members to comply with Tallink Silja Oy's passenger security regulations
- read the safety instructions of the ship and advice the group members to read them
- make sure there is silence in the cabin corridor after 11pm
- be aware that it is a punishable offence to buy and give alcoholic beverages to underage passengers
- acknowledge that any inappropriate behavior may result in removal from the ship in the next harbour

I commit myself to Tallink Silja's guardian instructions
